The Sunshine Coast Antique Car Club was formed in 1963 to cater for the interests of owners of veteran and vintage cars (prior to 1/1/1919 and 1/1/1931 respectively) and to foster preservation as well as restoration of these vehicles, as near as possible, in a state similar to their original condition. Today we welcome all people interested in preservation and restoration of our motoring and machinery history. Generally, our members come from those owning such over 30 years old but owning one is not a mandatory requirement. Members are encouraged to

participate in events even without eligible vehicles. Our veteran and vintage vehicles remain our "respected citizens" due to their historic significance.

Rallies are designed to allow for their limitations. Our Rally Director tries to incorporate suitable variations in rallies which will cater for all our vehicles.

Happy New Year and welcome to all members and also to new and current officers and committee for 2007. Our first club event this year is on Australia Day Friday 26th Jan. Bevin has a great day planned at Keith and Olive GUYS property , bush damper, Billy tea and some fun events with your vehicles. More in The rally report. On Sunday the 25th February, we are having our sign on day at the Nambour Showgrounds this will start approx 9:00 am and go to after lunch. Our Club Membership is due in February, so we propose to have a social day , including morning tea and BBQ lunch put on by the club.

So please make a special effort to come along, to meet club members who have come from the north, south , east and west. Also on this day we will try out holding a MINI swap for Club Members Only.

Welcome to new members, Kevin and Kath Noble from Dulong, they have a 1924 Dodge and a 1947 Buick. Also we welcome Michael and Heather Dempsey who have a 1929 Essex and A 1933 Dodge.

Also Lawrie Wood from Nambour is a keen prospective member for the club, he has a 1969 Peugeot, he has been interested in the Club for long time. Hope to see him full time soon.

Best wishes go out to Cliff Hultgren and Errol Kerr after having some health problems recently. Hope you are both recovering well.

Dec 3 Christmas Break up was held at the Mini Trains in Florence Street, Nambour. The weather fine with plenty of trains running all day. It had been notice one of the members riding on the trains most of the day, only stopping for lunch, well done Bill. About 100 people there, that's parents children and grand children. The trophies for the rallies were presented and a couple of members were overwhelmed by the trophies they had unexpectedly received. Both said they hadn't earned the trophies. After that Santa arrived by train to distribute the gifts to all the children. BBQ lunch followed by Ice cream. I think everybody enjoyed themselves.

Dec 15 Christmas Lights Run. At about 4pm the weather not looking great with storms about. We headed for Woombye and arrived at 4:30 with 3 cars waiting. Thanks to Brian Fazel for cleaning the BBQ earlier in the day. The storms cleared with no rain. We left the park at 6:45 with 13 cars in convoy. Kevin and Linda Grant in the newly restored 27 Buick and 2 grand girls still a few bugs to out we will have plenty of rallies in 2007 to sort them out. We had a good run till the showers returned, which put a bit of a dampener on the lovely night. At the end we went back to the club house for supper and a chat. Yvonne and I would like to thank all the members who made the effort to brave the weather, especially Bob and Lizzie Keeley.

Happy New Year, Bevin and Yvonne.

Well another year begins, this year will be better than last with a few good rallies planned. The first being Australia Day and Sign on Day at the Showgrounds. The 2nd not to be missed everything is supplied by the Club just come along. This year we have a new trophy planned for the driver who attends the most rallies in their vintage car.

Fri Jan 26 This year we will be holding the Australia Day at Keith and Olive Guy's place, Roberts Road, Kunda park. We had it there in 05. (Turn off Maroochydore Road in to Roberts Road at new traffic lights near Aussie Auto. Follow to end where the Pony Club is. Ph Book Ref P68 Map E14.) Billy tea and damper cooked in camp ovens, Corn meat and veggies cooked in big boilers, club supplies everything. (If anyone has camp ovens please bring them along but have it marked with your identification.) There will be motokana events and I would like a few people to help run the events. I would like some people also to help with the food. Bring fold up chairs and arrive around 8:30. Please let Olive know for catering on 54451315. Don't leave till the last day to notify.

Sun Feb 25 will be the sign on day at eh Nambour Showgrounds in the undercover area. Every body is invited and expected to attend. This day the members can pay their annual fees and have a good chat and make yourself know to the newer members. A morning tea and lunch will be supplied by the Club. Last year we had about 80 cars attend, Lets see if we can better that this year!

This year we will be holding a mini Swap for those wanting to bring a few cars parts to sell or swap. No Bric a Brac. Let Olive know for catering numbers 54451315. Bring your own chairs and arrive around 8:30 for a great day.

A very happy and prosperous new year to ALL and lets hope that our great little club continues to grow the way it has been over the last couple of years.

By the time you read this we would have had our annual run to Donnybrook and Toorbul for a talk about the years activities and you will see by the local club register, which you received with the yearly program, that our membership is now thirty-nine with three more seeking membership.

Our program for 2007 has something for everybody, from short local runs to longer and weekend runs and also a couple of mid-week runs which should be very interesting.

AUSTRALIA DAY 26th January the club is putting on another great day at Keith and Olive Guy's place at Maroochydore. The last was a beauty. We will have morning tea of Billy tea and damper followed by a gymkhana and a typical Ozzie Lunch done in the campfire. Please try to make this one. We will leave Bribie at 8.30 a.m.

SUNDAY FEB. 11th. will be a local run organised by Bob Parsons and will suit Vintage Vehicles. Bring BYO m/tea and Lunch and a clipboard for your instructions and question sheet. There will be a small prize at the end of this.

SUNDAY FEB 25th. is the Club Annual Membership Day.

Held at the Nambour Showgrounds On this day the Club put on morning tea and a sausage sizzle lunch. All members are requested to attend in their club car, pay membership fees (\$25), and join in the Club display. Last year was enormous and I think close to 80 vehicles turned up so lets see if we can beat that this year with a LARGE group from Bribie Island. Leave Bribie at 8am. to suit the slower vehicles.

WEDNESDAY MARCH 7th. the first of our mid-week runs we will be visiting Victory Press which should be an interesting outing. It is one of the oldest printing companies in Queensland and relocated to Bribie in the eighties.

More about that next month.

Bob and I hope that more members will join in our runs this year as a lot of work goes into their organisation for you.

Don't forget to give one of us a call to let us know you are attending. It is a help to know who we have to wait for and numbers for catering on a lot of runs.

That's all for now. Safe driving.

Trev.

Bob.

Veteran and Vintage rally 26-11-06. Taking the Marquette out today, arriving at the clubrooms by 8-30am, having 4 club cars there already, by the 9am we had 32 cars lined up

there was some very nice veterans and Vintage Cars and also some other club cars, it was great to see such a rollup, Bevin couldn't stop smiling. Leaving the Club rooms we turned right into Coronation Ave, then left at the lights into National Park Road, then right into Zealy Road and along to Wappa Dam Road. We went into the dam grounds for morning tea, it looked great all the cars lined up I counted over 70 people. Moving out later we headed down the road to Coleman's Farm Road past the Observatory to No 41 being Ross Robinsons property to look at his lovely things, in a very large new shed were 2 older motorcycles, a 4 wheel wagon with large beer barrels and all painted up which he has taken to shows and he has Draught Horses to pull the wagon. Next to it is a English style double decker horse drawn carriage. (Ladies weren't allowed to travel on the top deck as you would of seen there ankles). Next was a 14 seater Stage Coach which Ross had built. It was beautiful plus perfect. He also has a 1938 Hudson Terraplane which has only done 1000 miles, next was a Buick Riviera from the late 60s, a very large car. Next was a racing car which was powered by a Hudson Terraplane engine, which he use. He also has a veteran racing car under restoration and lots of other gear. Ross's wife had the task of picking out the Veteran and Vintage cars she liked, she selected the little Little of Alan Carpenter and guess what the Vintage was a Marquette by Guess who. We headed out of Ross's place through some back roads to Yandina and turning left into Dunethin Rock Road, following through to Bli Bli to Muller Park for lunch. It was great under the shady tree and plenty of shelters and tables. Bob Keeley has done a bit more to his 23/60 Vauxhall, he has a nice blue on it now. One couple we couple we haven't seen for a while is Evan and Beryl Owen, they had their Graham Paige out for a run. Today was like a meeting with a lot of long lost friends, it was great to see such a rollup. Thanks Bevin and Yvonne for this Rally.

Christmas lights run 15-12-06 arriving at the Woombye Park before 5pm Bevin and Yvonne were there with Brian and Karen Fazel. Brian only needed to coast down the hill in his Chevy. Bevin got the Barbie job, but most bought there ready meal. (Desma forgot our sausages) we ended up with about 12 cars, some modern. Kevin and Linda Grant arrived in the brand new 1927 Buick Roadster, its been a long time coming but it looked great, no doubt we will see it on a lot of rallies. They also had their 2 grandkids with them. We filled in the time with eating and talking till it started to get dark. We moved out and headed over though Palmwoods looking at different decorated homes until we went into a little court off Coes Creek Road where we parked and had a walk around this house, there was thousands of lights and wires the lady of the house told us it took 3 months to set it all up and a storm created a short in it and they had to replace 25,000 bulbs, what a job to take on! To save reading the rally sheet I thought I would be safe so I followed Brian Fazel's Chevy, okay for a while until Brian decided to go home, lucky he knew I was following him he pulled up and told me. We saw lots of other homes, it was a great night, lucky the threatening rain held off or else Bob Keeley would have had to pull the plug with his Vauxhall as he hasn't got a top on it yet. Each time al see it he has done a bit more to it. Thanks to Bevin and Yvonne for setting this all up but once again we lacked numbers. We finished the night off by having supper at the Club room.

Andrew,

Pete and I enjoyed our Christmas Lights tour.
Use this little poem if room in newsletter.
I think Rally Directors need encouragement.

Accolades to Yvonne and Bevin
For taking us on a tour of Heaven
They led us on a merry chase
But only at an even pace

No storm, just a pitter patter
Not enough to even matter
Turn left here and then turn right
To see those magic Christmas lights.

Some came modern. Some were brave,
Brought out the old cars anyway:
Some to Club for coffee and chat,
Next year I'm sure we'll all be back.

Nell Dorman.

We are calling for suggestions for bus trip or trips for 2007 please let us know at the meetings if you have a good idea.

MEMBERS NEEDED

The Sunshine Coast Daily is about to commence a series of collector car articles in the "CARS" section of the Saturday issue. Our members are encouraged to contribute. The Daily will do most of the work of writing from a questionnaire which they supply. Lyall Exelby is leading the way with the Sat 26th edition. Please contact Neil Boulton on 5476 1334 to nominate. It would be good for the Club if we had one of our cars in each week.

PROMOTION.

Freddy was driving home one day after a long sales trip to Cairns, when his mobile rang, it was his boss. The boss said, "you have done well so you're promoted". Freddy was so excited he swerved his car. A short time later the boss rang a second time and said, "you're so great you've been promoted again". Freddy was so excited he swerved his car again. After another long trip the boss rang and said "you are the best, you've won my job you are the Managing Director". Freddy was ecstatic and swerved his car into a tree. The Policeman questioned him as to what had happened, Freddy said, "I careered off the road".

THE BUSH TRACK.

A couple of guys in the 1920's were racing across the Moomba dessert in a cut down runabout when they broke down. Instead of waiting they decided to walk along the track to reach help. After a couple of days the track disappears but they see some camel tracks so they follow them. A couple more days go by and now they are starting to feel very hot and thirsty but in true vintage spirit they push on. When they stagger up the next day they see in the distance the Arab camel drivers tents which as they get closer are very large and so colourful they look like a Bazaar. They limped into the first tent and asked the old camel driver for water he said sorry mate I only have custard and jelly. This was no good so our adventurers limped to the next tent and asked for water. This old camel driver was even more sorry and said sorry mates I only have custard and jelly. Even thirstier still our two mates crawled to the next tent and begged for water. This friendly old camel driver was very generous and having no water offered as much jelly and custard as they could eat. Our two mates crawled off and the little one said that was very strange and the big one replied it was a trifle **bazaar**.

LICENCE CHECK

A police officer stopped a blonde for speeding in her red Mercedes sports and asks her for her licence. She replies in a huff, "I wish you guys would get your act together. Just yesterday you took my licence away and now you expect me to show it to you!"

WOMEN DRIVERS

"I tell you women drivers are a hazard to traffic. Driving to work this morning on the motorway I looked over to my right and there was this lovely red head in a Mercer runabout doing 120 kph with her face up to the rear vision mirror putting on her makeup. I looked away from her for a few seconds and saw she was half into my lane. It scared the living daylights out of me so much I dropped my electric razor into my hot coffee which scalded all my groin!"

Today's lesson

The pastor entered his donkey in a race and it won. The pastor was so pleased with the donkey that he entered in another race and it won again. The local paper read: PASTOR'S ASS OUT FRONT.

The Bishop was so upset with this kind of publicity that he ordered the pastor not to enter the donkey in any more races.

The next day the local paper headline read: BISHOP SCRATCHES THE PASTOR'S ASS.

This was too much for the Bishop, so he ordered the pastor to get rid of the donkey. The pastor decided to give it to a nun in a nearby convent.

The local paper, hearing of the news, posted the following headline: NUN HAS THE BEST ASS IN TOWN.

The Bishop fainted. He informed the nun that she would have to get rid of the donkey so she sold it to a farmer for \$10.

The next day the headlines read: NUN SELLS ASS FOR \$10.

This was too much for the Bishop, so he ordered the nun to buy back the donkey and lead it to the high plains where it could run free.

The next day the headlines read: NUN ANNOUNCES HER ASS IS WILD AND FREE. Alas ... the Bishop was buried the next day.

MORAL OF THE STORY???

Being concerned about public opinion can bring you much grief and misery and even shorten your life.

So, be yourself and enjoy life. Stop worrying about everyone else's ass and you'll live longer.
