President's Report

Trevor Shields

The Christmas and New year Festivities having come and gone, we begin a new year and a new decade of activities. The past decade has seen some major advancements for our club, under the guidance of some active and capable committees. SCACC is in my opinion the most progressive club in Queensland and I am sure it will remain that way with what we have planned for the future. 2013 brings up 50 years for the club and the organising committee has already started planning for this event. However your support and attendance for our functions is extremely important if we are to continue our success.

I would like to welcome two new committee members. Howard Hollow, Publicity Officer, and Duncan McFadyen as Bribie Organiser. It is pleasing to see a couple of new faces on the committee.

The 2011 program appears in this issue and most dates have been set as in other years. Rally director Bevin always seems to come up with something interesting and different while Duncan has also been planning events to try to encourage Bribie members to increase their interest.

Australia Day at the big shed in the Showgrounds is also our General Meeting for January as it would normally be held the night before and the first Committee Meeting is in February, the 2013 Committee having met for the first time in January.

The Bribie Group on Australia Day have been asked by the Moreton Shire Council to put on a display in Brennan Park and will do a Street Parade along the waterfront from their meeting place to the park. I ask all Bribie Members to keep this in mind.

March Committee Meeting will also be the first Swap Meeting which is held before the Committee Meeting and any member who is interested in assisting in this is invited to attend. Remember that Swap is only successful if all members assist and I am sure you are all aware of the many benefits gained by this revenue.

There are four new members, recommended by the Committee, for your approval at the January meeting. Malcolm Castles, Bill Bryant, Derek Dixon and Roger Matthews.

To all members who are not enjoying good health at the moment, we wish you a speedy recovery and hope to see you back with us soon.

Take Care and Safe Driving.

Trev.

The Sunshine Coast Antique Car Club was formed in 1963 to cater for the interests of owners of veteran and vintage cars (prior to 1/1/1919 and 1/1/1931 respectively) and to foster preservation as well as restoration of these vehicles, as near as possible, in a state similar to their original condition. Today we welcome all people interested in preservation and restoration of our motoring and machinery history. Generally, our members come from those owning such over 30 years old but owning one is not a mandatory requirement.

Members are encouraged to participate in events even without eligible vehicles.

Our veteran and vintage vehicles remain our "respected citizens" due to their historic significance.

Rallies are designed to allow for their limitations. Our Rally Director tries to incorporate suitable variations in rallies which will cater for all our vehicles.

S.C.A.C.C.

Rally Director's report

Bevin Mutch

For details of events and rallies please see "The Upcoming events" on Page 7.

The Veteran and Vintage Day to the Botanic Gardens was well supported with over 40 vehicles arriving, many of those having their annual day out and their owners enjoying the company of other club members.

Lyn, Faith, Lin, Lois and Helen catch up →

The Harveys', Exelbys' and the Flannagans enjoy their day out →

Ray Gauld's "Indian" also had a run on the day →

Duncan McFadyen

Hi every body. This is my first report for the Bribie Group since taking over this role from Bob Parsons, who has had serious health issues recently. I am sure you will all join me in wishing him a continued recovery to full health. Thanks for a job well done Bob. We would also like to extend our sympathy to Mirella on the recent loss of her brother.

By the time you read this issue the Bribie Group will have had our first run and meeting of the year and because of the current weather conditions I put in place some alternative arrangements, we will see how it all works out.

Australia Day, Moreton Regional Council has really put us in a prominent location this year, not stuck in the scrub out of sight, but in pride of place. We have been allocated the car park at the new Seaside Museum, so let's try to do it justice with good numbers. We will meet at Pumicestone Lions Park at 8am for an 8.30 start for a parade to Brennan Park.

Due to a reasonably busy calendar in February our second run will be on Wednesday 9th March departing Pumicestone Lions Park at 9am for morning tea at Pine Rivers Park then on to Osprey House at Dohles Rocks where there is plenty to see and good facilities including BBQs for lunch. We will be using Old Gympie Rd and or Deception Bay Rd to keep our exposure to the Bruce Highway to a minimum.

More information on future runs during the year in coming issues.

A safe and happy 2011 to all. *Duncan and Meg.*

Thank you to all who attended our Christmas Function in atrocious conditions. Approx 140 members, children and grandchildren braved the pouring rain. Special thanks to the wonderful folk at the Nambour train society and also to Santa and his helpers. A big thank you to the catering staff and all those who made this a successful day.

Just a few photos of some beautiful happy little faces.

Carolyn

Oh Santa please don't forget me.

The rain didn't dampen the spirits of these happy little riders, thanks heaps for a fun day!

I wonder what Santa has brought for me!!!!

Caterer's Report

Lynne Callaghan

We wish you all good health and a safe 2011.

As the Australia Day rally is very soon please advise Lynne on 5441 1084 no later than Friday 21st if you will be attending to ensure that we are able to cater for all.

Do you have a Holden ute in your museum or at home?

The hardworking Holden utility is 60 in 2011 and the National Motor Museum in Birdwood, SA is looking for Holden ute owners with an interesting story about their vehicle to help celebrate this major milestone. The cars, their owners and stories will be central to a short film that the museum is making for Holden to accompany a traveling display entitled "Ute-opia" next year.

So whether you are a farmer or city slicker, have a modern V8 or an old FJ; and whether your ute is still roadworthy or just rusting in the shed or back paddock, we want to hear from you.

Tell us your beaut ute story and be part of Australian motoring history.

If you can help or know someone who might be able to help, please contact Allison Russell at the National Motor Museum on PH: 08 8568 4000 or Email: arussell@history.sa.gov.au

Please note that stories are being sought from all over the country and not just in South Australia.

SCACC COMING EVENTS

Please note these events are on the “Events Page” on our website scacc.org.au. If there is any change or cancellation to an event it will be advised on the website and will be updated, hopefully prior to the time of the event and as soon as the webmaster has been informed.

Please bring chairs, morning tea and lunch unless otherwise advised

January, 2011	
Wednesday, 26th	Australia Day : The first fun day for the year. We will gather at the Showground's undercover area (big sheds). The club will supply morning tea and lunch. Arrive at 9am. Show YOUR pride in YOUR country - dress yourself and your car in Australian colour and costume and join in the spirit of the day. There will be a few car events organised, so come along and join in and celebrate this great day. Please Let Bevin and the catering staff know numbers by 20th January.
Wednesday, 26th	General Meeting : Please note the meeting usually on the 2nd Tuesday of the month will this month be held during the Australia Day rally.
Wednesday, 26th	Bribie Island Moreton Regional Council has really put us in a prominent location this year. We have been allocated the car park at the new Seaside Museum, so let's try to do it justice with good numbers. We will meet at Pumicestone Lions Park at 8am for an 8.30 start for a parade to Brennan Park.
February, 2011	
Wednesday, 2nd	Mid week run. Details to be advised
Sunday, 20th	Sign On Day : At the Showground's undercover area. This is the day to pay annual fees and rejoin your club. Morning tea and lunch will be supplied by the club Starts at 9am. Please let catering staff know numbers no later than Feb 16th. It would be appreciated if you complete the form which is in the AA and bring along with you on the day. This enables our registrar to ensure our records are up to date as required by our Constitution.
March, 2011	
Wednesday, 9th	Bribie Mid week Run : Details to be advised
Sunday, 27th	Combined Gympie Run : Details to be advised

FIVE RULES FOR MEN TO FOLLOW TO A HAPPY LIFE.

1. Its important to have a woman, who helps at home, who cooks from time to time, cleans up and has a job.
2. Its important to have a woman, who can make you laugh
3. Its important to have a woman, who you can trust and doesn't lie to you
4. Its important to have a woman who lies with you and who likes to be with you
5. Its very, very, very important that these four women do not know each other!

Christmas lights report. - thanks to Derek and Gay Dixon for this article

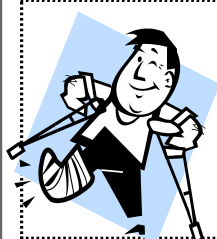

Here is a report on how the Christmas lights run went on Saturday night the 18th at Bribie Island.

We left Maroochydore and picked up the Walkers from Minyama and headed off to Bribie in pouring rain at around 4.10pm to meet everyone at the park on the waterfront for a BBQ at 5, we got there about 5.15pm. Trevor and two others had already arrived. The rain had stopped with only the odd drop and after having a discussion about the possibility of more rain some of us decided to look for takeaways. There were plenty of choices as it worked out with the Surf Club, RSL, and several eateries one of which was a great fish and chip shop with tables outside so orders were placed and duly appeared with other goodies from the picnic bags. Our instruction from Trevor was to be back at around 6.30pm for the dark start to see the lights. By this time about 10 cars had arrived and much frivolity was taking place under one of the shelters. Trevor had Bribie maps with the route all highlighted in case any of us ended up in Sydney and then it was off in single file around the island to see the great efforts that the locals had made to celebrate this festive season. The weather was excellent and not a drop of rain for the whole evening. We stopped at a little park and went for a short stroll to look at the houses on a canal and much oooing and aaahing took place with responses of laughter then it was back to the cars and on to the next location. Trevor was focused on keeping us moving along as we were in no hurry and I think he may have been concerned that he would have had to offer us all breakfast.

A lot of these people have spent hours and hours with their families (the younger ones installing all the roof displays) installing miles of wires and have working models on the lawns. A bubble making machine and Christmas music, then on our visit some come out and have a chat. One offered us a chocolate each (take another if you wish said the young girl). Another resident invited us in through one gate and a walk along her front veranda where there was a display of large religious figurines, really life like, behind the house front windows – Angels with wings moving and in the garden all sorts of moving blow up Christmas models like Santa going up and down the inside of a chimney. The children just thought it was great (along with the adults) and then moving through the garden to exit on the other side. The people on the whole route who came out made us most welcome and were very friendly and certainly made it well worth the trip.

I just hope that next year if we do it all over again the weather is more friendly and more of us will arrive in our Vintage cars. It was great to see at least one vintage tourer and one war time jeep with 4 people in each turn up and braved the weather to get to the start, well done all of you.

Thanks to Trevor for organising an excellent event and to all the people for a great night out.

A SPECIAL NOTE TO OUR HARD WORKING CLUB REGISTRAR, Sylva – We do hope Bob will be back on deck soon after his recent broken foot so he can get back to his chores and looking after his beloved animals, and give you a breather, and we hope to see you soon at the club rallies.

Send us in a story about your vehicle, a “special” event or something of interest, so that other members can share your news.

Members' articles

Ross Turner Visit — Thanks to Peter Kerr for this article

Members may remember the red haired 3 year old boy sitting in the back seat of John & Sue Turner's 1925 Willys Knight Model 65 at SCACC rallies 18 years ago. The Turner family later moved from Buderim to Turners Beach in NE Tasmania and I have kept in touch. I was racing at Symmons Plains down there when Ross turned 17. The day he got his Ps he drove my supercharged MGTC, and was smitten with sports cars. He drove my 200 mph MGTC this visit. Ross is now driving his newly acquired Toyota MR2 down the east coast & home to Tasmania. He stayed with me at Point Cartwright for a week or so and was very generous of his time, visiting several older members. In particular, Ross visited Kerry Cox several times. He caught up with Bob Hopkins, Trevor Brosnan, David Easton, & Bob Bean also. Ross is now 21 years old, & we should feel confident in the future of the old car movement in the hands of this next generation of enthusiasts. He got on so well with Shaun Brosnan too. I left those two together and they talked for hours on their car projects. Shaun has container loads of old car gear, plus his 1936 Chevrolet sports roadster. We are driving to Oakey today for a race meeting in his Chev IROC. Computers are their forte too. Ross set up an external hard drive for my computer with downloads from his laptop. It will take me a lifetime to look at the old car pics and movies. I am handing it all over to my 17 year old grandson, Taylor Kerr, who graduated this week from SCGS. He can watch a movie or three, in between working during his vacation. Taylor has already bought a car with money earned working at the Hyatt. I hope to bring Ross to a SCACC meeting when he next returns to the Sunshine Coast.

STRESSED -

 Is dessert spelt

 backwards

Another photo has been sent in by a Club Member. Can you guess who this is? This was his first pedal car and I am sure he would still love to have it as one of his treasures.

Hint—he has been a club member for many years and has held several committee positions.

In last months newsletter we asked if you could identify this happy smiling face

Catering Numbers needed for Xmas Rally

From the Committee Items from the November meeting summarised

Pacific Ford are holding a big display day on 12th December

Eric McGregor Cliff Hultgren spoke in memory of Eric, in particular his restoring and donating a Dodge Ute to the John Flynn museum in Cloncurry.

Ross Turner has made a visit and is interested in MGs

Showgrounds Users group an additional member is invited - no takers

Rainbow Beach Lions invite club to take part in a show and shine

Bill Payne has a motor needing a good home - could be vanguard or tractor

Can we Help nil

Meeting closed.

NOTES FROM THE AGM

As last year, the Minutes of the AGM will be published in the November newsletter. Apart from the election of the committee, the only business was receipt of the Auditor's report and setting dues for 2011 at the existing level.

Sad to say, you will not see many new faces on the committee which is published in the inside cover of the newsletter. Are there no newish members willing to take a part of running the club which provides for their enjoyment?
