The Sunshine Coast Antique Car Club was formed in 1963 to cater for the interests of owners of veteran and vintage cars (prior to 1/1/1919 and 1/1/1931 respectively) and to foster preservation as well as restoration of these vehicles, as near as possible, in a state similar to their original condition. Today we welcome all people interested in preservation and restoration of our motoring and machinery history. Generally, our members come from those owning such over 30 years old but owning one is not a mandatory requirement.

Members are encouraged to participate in events even without eligible vehicles.

Our veteran and vintage vehicles remain our "respected citizens" due to their historic significance.

Rallies are designed to allow for their limitations. Our Rally Director tries to incorporate suitable variations in rallies which will cater for all our vehicles.

President's Page

At our next Club meeting 26th June, we will have a Guest Speaker from Penrite Oils, to advise us about our Oils and lubrication for older vehicles.

Our annual Swap is drawing closer, so check out the Roster in this month's Auto Antics to see when your times are for your shift of duty.

We are seeking lots of help for the marking out of the Swap sites on Thursday 26th from 8:30am and Friday 27th July from 7:00am. And don't forget we need helpers for the Clean Up after the swap Sunday afternoon.

Also you will see in this Auto Antics an Entry form for this year's 4 Club Rally. Our Club is hosting this year's Rally, so get your entries in A.S.A.P.

The 4 Club Rally will be based at Maranatha Camp on Wappa Falls Road, Yandina.

For our newer members the 4 Club Rally is made up of the Sunshine Coast, Gympie, Kingaroy and Hervey Bay Maryborough Clubs. This event has been held for over 30 years, each year hosted by one of the 4 clubs. Check out Bevin's Rally Report for the next Club Rally.

We have received Membership Applications for Arthur Ellis who is rejoining. Buster Lindsay of Maroochydore who has a 64 EH Holden Premier Sedan.

Not much to say about the Motokana, Reg will write a few lines about it. Yvonne and I would to thank those members for making the weekend a great success. The caterers for the smooth organisation and the plentiful supply of lovely food. For the entertainers who played and sang for our enjoyment until late. It is quite obvious that the non attendance of a lot of members really shows the lack of support of the events that the Club holds for every bodies entertainment.. A lot of members have never been to a Rally since I have been Rally Director in over 3 years. Come on members let us see your faces and join in.

July 6-7 Garden Expo at the Showgrounds , Some members needed to help mark out the Showgrounds.

July 15 Amamoor Draught Horse and Heritage Fair and Amamoor Recreation Grounds. Free entry. Would be good to see a few more members and cars , don't leave it the to usual few.

July 28 SWAP This is our Annual Fund Raiser. Members needed to help mark out the ground on Thursday and Friday and don't forget the Cleanup after.

August 4-5 The 4 Club Rally This year it is our Clubs turn to host the Rally. We are going to have the sign on at the Maranatha Recreation Camp, Wappa Falls Road, Yandina on the Saturday Morning. So come along and help welcome visitors and have a cuppa and lunch. After lunch, a short run and then back the camp for a Spit roast dinner and entertainment. Members can stop the night for \$20 and children \$10 Bring own bedding, towels etc, for the night. Entry forms in this mag.

Aug 12 Cross Roads at the Nambour Showgrounds arrive at 9 ti driver the guest around the show grounds . Morning tea and Lunch supplied by the Club. It would be great to see a few new members for this.

Aug 16 Riding for the Disabled more details in next mag.

What a surprise to have fifteen cars turn up to the Classic Boats display at such short notice. We didn't know it was on until a few days before and after many phone calls, a great day it turned out to be. St. Michaels College Fair was also well attended and was also an enjoyable afternoon.

We have a couple of members on the sick list and we wish them a speedy recovery. Jim Daniell is recovering after a serious operation and our signwriter friend Tony is in Prince Charles Hospital after suffering heart problems and a stroke. Former member Arthur Ellis is back amongst us and is now living at Glasshouse. He and his friend who also lives there are looking to rejoin. Arthur would like to buy a Morris Minor so if you know of one phone him on 5493 0486.

Sunday 8th July Caboolture Historical Society Machinery Day Leave Bribie at 8.30 am for 9.00 am entry through the northern gate near the big shed. Those coming from Nambour should check the rally director's report for times.

Friday 27th and Saturday 28th July Our own Nambour Swap.

Please watch the Mag for the roster as everyone is expected to do their bit. This is our only fund raiser for the year so please make yourself available to help.

August 4th and 5th Four Club Rally.

Nomination forms for this will be available soon and I would like the Bribie Branch to join in this great weekend. It is a chance to meet lots of members from our sister clubs and catch up with old friends. There are usually sixty to eighty cars turn up for this weekend.

That's all for now. Trev and Bob.

CATERERS REPORT

Hello to One and All,

Sorry that this report is a very brief report. I promise to do better next time. I would like to thank all who helped with the Breakfast at La Balsa park, also to Sandra Godfrey and her helpers for their good work at the Motokana. Many hands make light work and allows every body to enjoy the event.

See you Soon

Olive.

OUR SWAP MEET by Neil Boulton

PAGE 12

I have been asked to provide this item for the Newsletter for the benefit of those not familiar to the history and goings-on associated with our swap meet. I am relying on a fading memory for this so I hope any inaccuracies will be forgiven.

Our swap started in 1988 at very short notice following a slot becoming available in the Combined Council's published program. Evidently there was a hiccup with the Banyo Swap that year and we took the opportunity to run a swap in its place, as we had considered for a few years. That is how we come to run it on about the coldest Saturday of the year, always the last in July.

Our first one was organized in about three weeks and we didn't do a bad job for a bunch of beginners. There were around 2,000 through the gate and about 200 sites. We used all of the old machinery display area for sites which, in those days, had only a collection of very basic sheds belonging to individual exhibitors at the Sunshine Coast Show.

We must have got it right as the next year we had about 2,500 through the gate and a small increase in sites. We were not using the show arena at that stage and, as a novelty, I offered kids rides in the Overland around the track. This was not at all successful and was abandoned from then on. We have never been able to draw many participants for the car display either. We also had free draws for petrol vouchers for the first few years. These were based on entry ticket numbers and announced every hour over the Public Address System which we had in those days. I don't know what these contributed to our patron's enthusiasm but we did keep growing.

In 2005 we had about 6,500 through the gate, used every square meter of the grounds and had about 800 sites.

Needless to say, organizing such an event takes a bit of doing. However, the load is spread and so far we have not broken anyone's back. Each year, a small committee is formed and they meet monthly from January. Responsibilities for advertising, ground preparation, site allocation, catering, cleanup, cash management, parking/swapper control, signage and volunteer roster are allocated to various members of the committee. All committeemen contribute to these aspects by discussion at meetings.

Our members are needed for ground preparation (marking out sites, placing signs and setting up club office) which starts very early on the Friday morning. By 2pm we open the gates to swappers wishing to set up sites early and this continues throughout the night and early morning. General entry commences from dawn (or before sometimes). This all requires a roster of members to take fees and direct customers to their sites or parking. The entry charges and parking needs continue until about 1.30pm on the Saturday. Commencing around 2pm on the Saturday, we carry out a cleanup of the grounds, for which we need a few able-bodied people and a truck or two. Our customers leave us so much rubbish that we have to hire two large skip bins to cope.

The swap contributes a considerable amount to our finances which allows us to be a bit generous in things like very low annual dues, subsidies for rallies and occasionally, free tucker. The average member is really only asked to contribute a small amount of his or her time. We are also building a reserve which will allow us to sustain a washout which we have so far been able to avoid, though we have come close once or twice.

Although I said we spread the organising load, there are some of us who have been doing this for 19 years and are thus 19 years older as a result. The legs don't work as well as they did in 1988 and nor does the brain. If you would be prepared to ease the burden and perhaps help retire some of the old horses (self included), please make it known and you will be welcomed into the fold.

SWAP MEET ROSTER (June Version)

The following is the swap roster as at the time of publication. It is basically last year's Please contact me on 5476 1334 if you are missed out so far (including new members) and we can talk about where you might fit in. There are bound to be some minor changes as the day approaches but these will be individually negotiated. Neil Boulton

If any one wishes to send in items and you have access to the internet, then don't be scared to send it in, It is much quicker for me to place the article into the newsletter without having to retype it in. I know technology can scare some of us, but don't be afraid to take on the keyboard. Remember if anyone has any items of information digital photographs of events or funny things and you would like them or it to be part of the Auto Antic to please forward it to me on the Club Editor's Email scacc-editor@flexinet.com.au or fax it to me on 54561385 or post it to me at 30 Figbird Crescent, Buderim 4556.

The S.C.A.C.C recently received a letter from the HELPING CHILDREN SMILE Organisation 2007 Mission. If members remember last year we forwarded a Donation to the Organisation to assist in the plight to help Children with facial deformities to have corrective treatment.

We received a Thank you letter with a Photo of our recipient Juvy Clementine, 10yrs of Cabanatuan City who had lip surgery by Dr Tim HEWITT on 26/2/07.

The photos show how remarkable Juvy now looks. The photos are available to see, just see Neil Boulton at the next meeting.

Regards and best wishes, *Andrew King*

MOTORKANA 2007 (The Double Dip Rally)

Two days of jolly good driving on bitumen country roads, two days of jolly company and fine cars, great food and plenty of it. Day 1 – Registered and surveyed the wonderful variety of well-groomed cars. After lunch we motored to North Arm to double sized sheds. (and I thought I had a big shed). This shed was filled with double sized cars, some called them yank tanks at 4 mpg. I'd say double dip in the pocket for petrol. All were presented with their "fins" glistening. Dinner at night had us wrestling with a strange cryptic puzzle, very good roast spit dinner, (double dipping there too), and our own members supplying good entertainment from keyboard, accordion, clarinet, and a few jokes. This turned into night-club standard entertainment from the club's own guitarist and comedian. Due to close by 9pm but by popular request we had great difficulty closing by 10.45pm. Great fun.

Trophy winner for hard luck was due to dirty petrol and withdrawn from the run. Very same winner had more hard luck at Sunday lunch when his chair broke and left him stranded on the floor. (Too much double dipping). Furthest travelled was an entrant from Bundaberg. Although Motorkana organisers were a little disappointed with the low number of entrants this year, I, as an ordinary member, found it bountiful as there were so many prizes available from generous sponsors that every entrant received a gift for something or other. Day 2, Sunday, after a great breakfast, the run commenced on time and travelled on bitumen country roads (no highways) through Noosa hinterland to morning tea at the amphitheatre. Double dipping again with delectable food, tea and coffee, then more country travelling over scenic roads to Brooloo dance hall for lunch where we were served with hot savoury lunch and apple crumble etc. After lunch we all found our own way home. This was a memorable and abundant 2007 Motorkana. See you all at Motorkana 2008 and we will share it with you.

PETER & NELL

One day, a man came home and was greeted by his wife dressed in a very sexy nightie. "Tie me up," she purred, "and you can do anything you want." So he tied her up and went golfing.

A woman came home, screeching her car into the driveway, and ran into the house. She slammed the door and shouted at the top of her lungs, "Honey, pack your bags. I won the lottery!" The husband said, "Oh my God! What should I pack, beach stuff or mountain stuff?" "Doesn't matter," she said. "Just get out."

Marriage is a relationship in which one person is always right, and the other is a husband.

A Polish immigrant went to the DVLA to apply for a driver's licence. First, of course, he had to take an eye sight test. The optician showed him a card with the letters: 'C Z W I X N O S T A C Z.' "Can you read this?" the optician asked. "Read it?" the Polish guy replied, "I know the guy." **Forwarded by Vic Toonen**
