

THE ANTIQUE CAR CLUB OF NAMBOUR

invite you to

“MOTORKANA '74”
and MINI HUB TOUR

At

PEREGIAN BEACH

Saturday 14th and Sunday 15th September

President's Invitation

The members of the Antique Car Club of Nambour have pleasure in inviting you to our 6th Motorkana to be held at Peregian Beach, on Queensland's Sunshine Coast, on Saturday, 14th and Sunday, 15th of September, 1974.

As usual, again this year we are adding variety to the events and devoting most of the attention to the family as a whole, so that not only Dad, but all the family will enjoy the Motorkana 1974.

There will be no Concours d'Elegance.

I would suggest however that you bring a bucket and spade or any other miscellaneous gadgets to assist you in the beach events.

Sunday morning's Mini Hub Tour takes in some beautiful country and will be a good outing.

I feel sure you will find a lot of pleasure and fun in Motorkana 1974, and I look forward to seeing **you** there.

N. PARRY,
President.

And just around the corner is Noosa National Park with spectacular rock formations such as Devil's Kitchen, Witches' Cauldron and Lion Rock.

Turn right from Bruce Highway at Nambour Showgrounds or travel, the Coastal Highway from Caloundra, via Coolum to Peregian Beach, Marcus Beach and Sunshine Beach.
